

Welcome to the LiveGood Team! Below you will see details in regards to acquiring your Bonus Vacation Certificate. As a reminder, I cover the vacation stay and you are responsible for any government/hotel daily fees, taxes, food/drinks, transportation and entertainment.

Please be sure to read this whole document in order to be sure you have provided all details to arrange for the certificate as well as to also be able to learn how you can also take part in this additional income stream and be able to give out Vacation certificate, hotel savings cards, restaurant incentives and more to your own future leads and customers!

- 1) You must email me the vacation of your choice by sending a response to DaveGardner@MagneticSponsors.com with the Subject line "LiveGood Bonus Vacation Certificate Request"
 - a. In your email include the following
 - i. Your Sponsors Name
 - ii. The Name and Username you enrolled into LiveGood with
 - iii. Your phone number to receive a verification text
 - iv. Your best email address
 - v. The country and city destination of choice as chosen from the list below.
*Note there may be adjustments or additional cities once you choose a country so this will open up the lines of communication to make sure you are set up correctly.
- 2) I will then prepare the online certificate and they will send it to you by email. I will also follow up with an email from my end letting you know it has been completed and to look for it in your email inbox. If you also provide a cell phone number to receive text messages, I can add that in and they will also send you a text message that the process has occurred.
- 3) You will then have 7 days to activate your certificate AND then you have up to 18 months to choose your vacation dates, choose available hotels in the area etc.

Please see the available Destinations here with the length of stay ranging from 3-7 nights at over 50 locations around the globe (NOTE: You can not live within 100 miles of location)
